

DANGER ZONE

Forklift Safety Lights

Full Two-Year Warranty!

**Includes mounting bracket & wiring*

40% of all forklift accidents involve a pedestrian. Ensure pedestrians stay a safe distance away from the forklift with the Forklift DANGER ZONE light. The DANGER ZONE puts a bright red line on the floor to keep pedestrians away. This zone can be adjusted to the distance of your choice. This helps prevent foot injuries and collisions from rear end swing, as well as, showing a "Do not enter" zone around any piece of mobile equipment.
