

Operational Audit

Most of our engagements begin with an Operational Audit, which allows us to better understand your business while giving you the benefit of our knowledge of industry best practices, uncovered through years of experience by the KMH team.

We strive to better understand your business while giving you the the industry best practices.

Through our Operational Audit, KMH studies your company culture, product data / throughput, facility layout, operational processes, and customer-driven requirements. We work alongside your key personnel and deliver meaningful recommendations that will provide a measurable ROI when implemented. We work alongside your key personnel and deliver meaningful recommendations that will provide a measurable ROI when implemented.

We Will Provide:

- 1) Audit Questionnaire
- 2) Complimentary Operational Walkthrough
- 3) Preliminary ROI
- 4) Proposal for Phase II if Applicable
