Equipment & Service Solutions

KMH Systems, Inc. Services What You Buy

KMH Systems maintains a professionally trained **radio and GPS dispatched fleet** of over 50 service technicians for when you want to leave the repairs to us. Supported by our outstanding parts-sourcing capabilities, we can keep your lift trucks up and running... adding to your bottom line!

We support you in your facility...

with Service Professionals in **fully stocked vans** and **mobile tire presses** whom are based out of more than a dozen different KMH locations serving the Midwest region. Also on board are the **In-house Technicians** in that same geographic area to tackle your more complicated repairs!

Our goal is 2-hour response time when you call. And, we get it right the first time with fewer than 4% callbacks on service repairs!

We can also perform Operational Maintenance (sometimes known as "**Preventative Maintenance**") & Planned Maintenance, repair or maintain batteries and chargers in your facility, press tires, as well as service your hoists, conveyors, and other material handling assets!

Maximize Uptime & Profits

KMH Systems Parts Operations have one mission... to support our clients' quest to keep their lift truck fleets up and running!

KMH stocks each of our locations with ample parts and trained professionals to help you select the right part for the right price. **We can help support your parts needs for any brand of lift truck.**

With **computer-generated parts schematics** for all of our forklifts and over \$1 million dollars of parts' inventory in our network **servicing all brands**, KMH dispatches the right parts to our certified technicians ensuring maximum fleet uptime and productivity.

In A Bind? Our Short & Long Rentals Can Give You A Lift

Our Rental Fleet can help you out of a broad range of logistical headaches. **Our 1000+ Unit Fleet...** Diesel, Electric, Propane, High Capacity, Indoor & Outdoor Tire Units... **The Right Equipment Right Now!**
