

# Project Management

Allowing for a seamless transition throughout engineering, purchase, installation and "Go-Live", KMH's seasoned project management team works hand-in-hand with your appointed steward to assure a successful system implementation.

Our on-site Project Manager communicates important milestone events on a regular basis.

KMH plans, organizes and manages projects in a systematic manner in order to deliver key project elements in a timely way to ensure a fluid integration into our client's operation. Our on-site Project Manager communicates important milestone events and provides updated drawings and Gantt charts on a regular basis to assure a cohesive progression throughout implementation.

## What We Do:

- Engineering Liaison
- Measuring & Verification
- Single-Point of Contact
- Gantt Charts
- Scheduled Meetings
- Budgets
- Deadlines
- Punch Lists
- As-Built Drawings

### **Material Handling Integration**

KMH Systems can plan, organize and manage your next project. Visit our website and fill out an online request or contact your local KMH Representative to setup an initial meeting. Please see reverse side for branch contact information.
