RECONDITION YOUR EQUIPMENT

www.kmhsystems.com

We'll Help You Stretch That Equipment Budget!

Rebuild Your Aging Equipment Vs. Replacing It.
ALL MAKES · ALL MODELS

Let the KMH Parts & Service Team give you a **FREE QUOTE** to completely recondition your aging material handling equipment instead of buying new.

In many cases we can fully recondition two for what you can expect to pay for one new one!

Excellent Warranty! 90 Days Full · 180 Days Power Train (Engine, Trans, Diff)

- Reconditioned, Rebuilt-Exchange Engine *
- Reconditioned Transmission/Differential (Transaxle) *
- Recondition Mast/Upright Assembly; Install New Bearings, Bushing, Wear Strips As Equipped *
- Recondition/Rebuild Steering System *
- Reconditioned Brake System
- Reconditioned Hydraulic System & New Hoses
- Reconditioned Electrical System & New Gauges
- New Tires & Operator Seat, Seat Belt
- New Paint Job & OEM Decal Set

**Does not include correction of any structural defect, ie; broken/bent or otherwise damaged rails, stub shafts or other, requiring welding or machine work.
If any such defect is found it will be quoted as a separate job action*

For No Cost & Without Obligation, On-Site Inspections, Evaluation & Recommendations Give Us a Call!
