

Support Services

KMH's team of service professionals combine controls and electrical expertise with mechanical aptitude to assure that your conveyor and automation remains as reliable as you are to your customers.

Our factory trained technicians and customer support team guarantee a smooth operation after the installation. From spare parts, operational maintenance, and 24/7 service to application engineering and warranty management, KMH offers reassurance that you can focus your time on the core responsibilities most important to your valued customers.

What We Can Do:

- Conveyor & Automation Service
- Planned Maintenance Programs
- Component Condition Reports
- 24/7 Emergency Service
- Re-Engineering & Re-Work
- Mechanical / Electrical / Controls

Focus your time on the core responsibilities most important to your valued customers.
