

Equipment & Service Solutions

YARD TRUCKS

yard dogs · terminal tractors · switchers

Perfect for...

Moving and spotting trailers and containers around freight terminals, port facilities, and warehouses.
Operation on well maintained asphalt/concrete or gravel surfaced yards, terminals or docks.
Low mileage operations.

What KMH Offers...

- Short & long term rental / leasing
- Used units, rental retirees, trade-ins
- Service on all brands
- Parts sales for all brands
- Maintenance contracts
- PM service & 24/7 Service
- Major rebuilds

Advantages...

yard trucks vs. road tractors

- 1) Yard trucks are smaller units which are more maneuverable and agile (116" wheelbase)
- 2) Yard trucks use 160-220 hp engines, making them much more fuel efficient
- 3) The yard trucks hydraulic fifth wheel saves time - no cranking trailer dolly wheels
- 4) Yard trucks use automatic transmissions, saving clutch related maintenance
- 5) Time savings for hook and unhook procedures are about 3:1 compared w/ road tractor
